

Hawai'i Powered

Clean energy for Hawai'i, by Hawai'i

Aloha again! We hope you're having a great summer!

This is a monthly newsletter from the Hawaii Powered team, where we update you on our work to move toward a clean energy future and the ways you can stay involved. Thank you for engaging with us!

What's the latest?

Visit our online participation site for island-specific updates! Explore our online hub for the latest information on grid planning. This page includes a blog, community surveys and answers to frequently asked questions. We'll continue to update this page in the coming months, so stay tuned for more interactive tools and opportunities to share your thoughts. [Visit the site](#)

Plugged In – Hawaii Powered News & Updates

The Hawaii Powered blog, *Plugged In*, provides viewers with a deeper dive on topics related to clean energy, explains technical concepts, spotlights community stories and brings new voices to the forefront of the energy conversation. Check our latest posts, below.

Building Resilience in North Kohala: A collaborative approach to strengthen our communities

Community forum in North Kohala

Communities have a vital role as we work together to shape our energy future and build a strong Hawaii. One example is the collaboration between Hawaiian Electric and the North Kohala community to build resilience and improve reliability in the area.

[Learn more about the work being done in North Kohala.](#)

Electrification of Transportation: Driving toward a renewable future

Electric car driving along Sandy Beach on Oahu

Getting more folks out of their gas-burning cars and into electric vehicles will go a long way toward helping Hawaii meet its decarbonization goals.

[Learn more about electric transportation and what it means for you as a customer.](#)

We welcome your feedback on blog posts!

Is there a topic you'd like to hear more about? Have a perspective you'd like to share? Let us know by [emailing the team](#).

Connect with our team

- [Take our short survey](#). Help us better understand you and your energy needs.
- [Request a presentation for your organization](#). Invite us to give a short presentation and answer questions at your next community meeting or event.
